PERSONAL BRAND

INSIGHT TO THE ARTIST

***I have spent most of my life as a carpenter.
However, I have spent my entire life loving art
and music.***

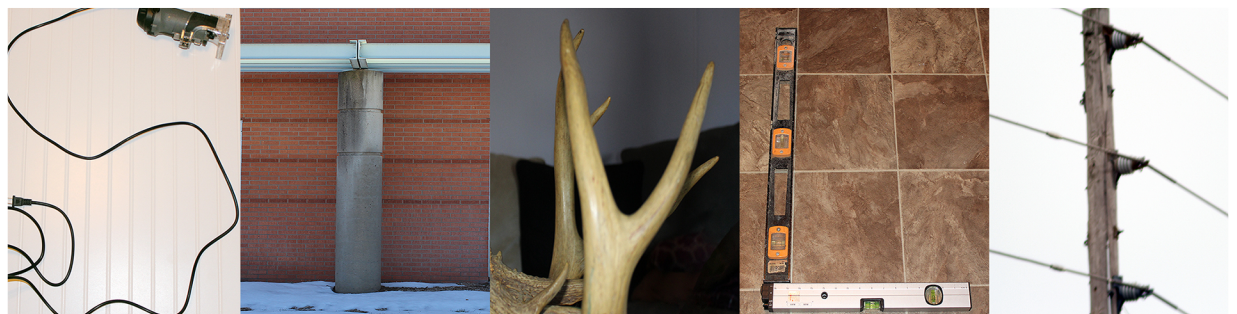

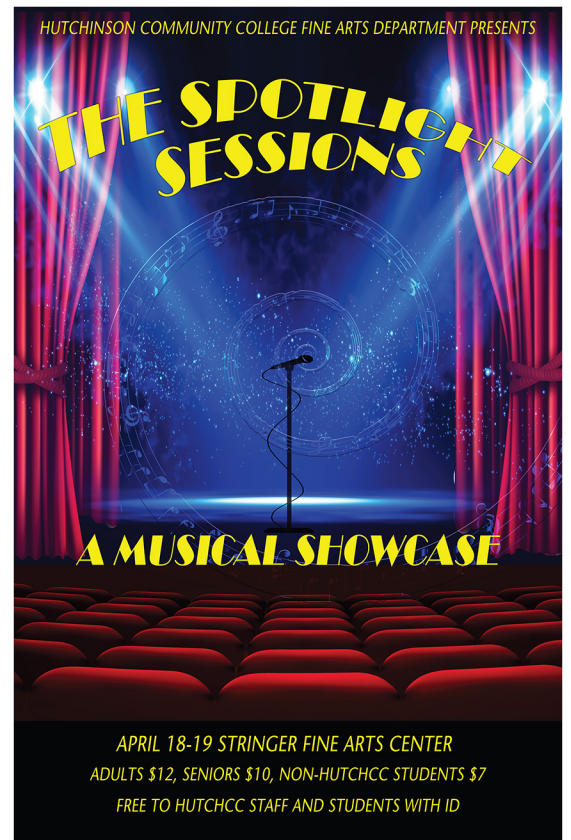

***As a child and young man, I spent countless
hours Sketching and Drawing and even though
I had sold many drawings, it was not until the
year 2020 that I had thought of art as a career .***

***Once I discovered art through the capabilities
of technology, there was no turning back for
me and Graphic art and Web Design became
my passion.***
